FORMER DIPLOMAT AND GOVERNMENT CRITIC FORCIBLY DISAPPEARED

HUMPHREY POLEPOLE

TANZANIA

Former ambassador Humphrey Polepole was abducted at his home in Dar es Salaam on 6 October 2025. He has not been seen since. Humphrey appears to have been targeted because of his criticism of the president and ruling party for restrictions on civic space, the crackdown on human rights and attacks on opposition members. His family miss him dearly and need answers.

Call on the Tanzanian authorities to immediately disclose Humphrey's fate and whereabouts.
