PAKISTAN

Human rights lawyers and married couple Imaan Mazari-Hazir (right) and Hadi Ali Chattha (left) have dedicated their careers to representing victims of state oppression, despite threats and harassment by the authorities. In January 2026, they were given long prison sentences for their posts on social media expressing solidarity with Baloch and Pashtun activists and criticizing the Pakistan military.

Imaan Mazari-Hazir and Hadi Ali Chattha must be unconditionally released, and all charges against them dropped immediately.
