	Myself and the wider world	Developing citizenship	“Explore and recognise the rights and responsibilities of both adults and children in the school community”

Human rights education develops children’s **knowledge** on human rights. It is also an education that facilitates **skills** development in communication, conflict resolution, cooperation and empathy so that human rights education comes out of the classroom and becomes an everyday practice. Human rights education develops **attitudes** of tolerance and respect for all people.
